TRAINING CALENDAR 2017

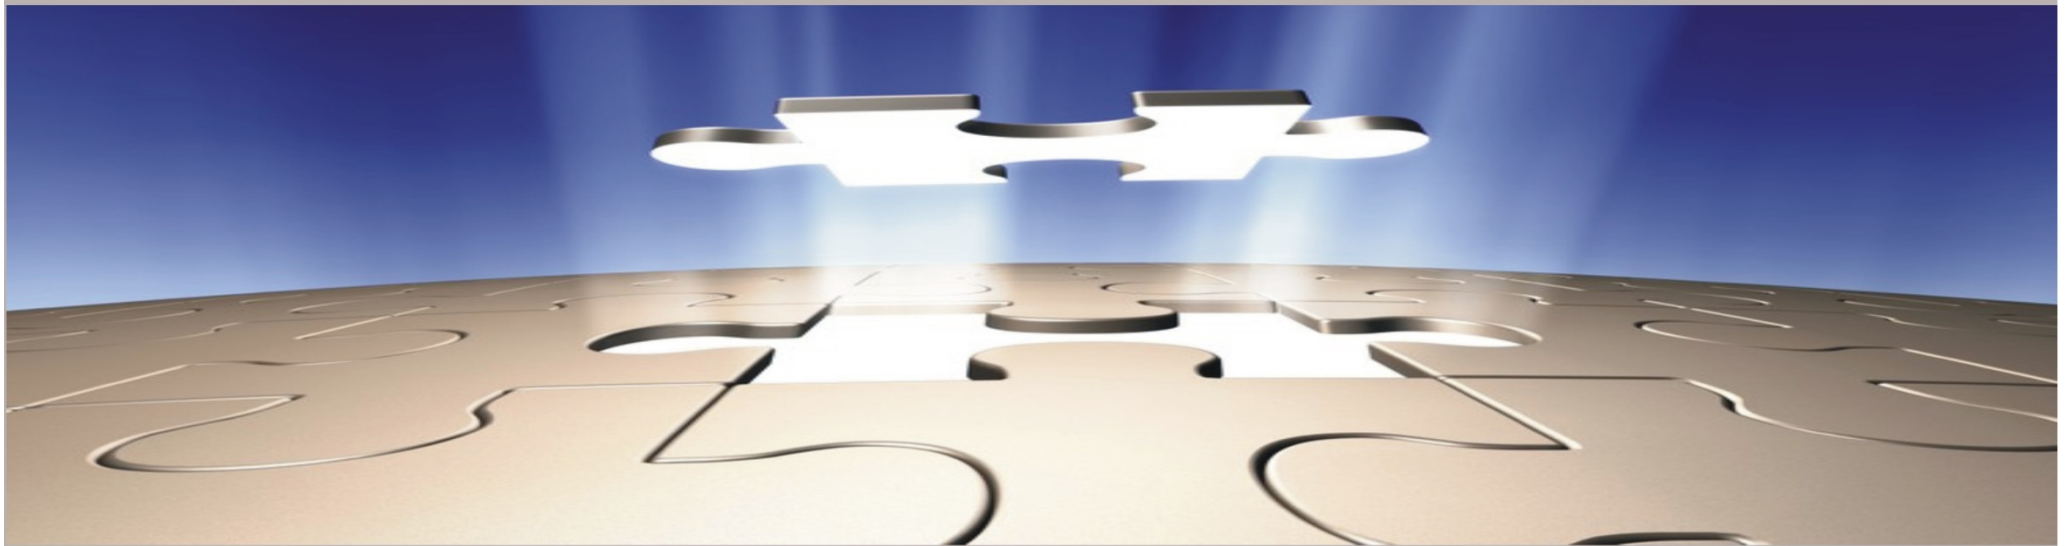

OUR PLANS FOR 2017

Global Analytics consolidates its 11 years experience with the offer of refreshing and innovative seminars, workshops, study visits and engagements with governmental and private sector stakeholders as presented in this all-new 2017 brochure. Our programs are not clichéd, but they address specific needs

We hereby offer our 2017 brochure to our over 6,000 alumni since we began, and we hope this appeals to professionals in all fields who have never had experience with us. The focus is on capacity development in a fast-changing age. The best ideas and efforts come up in periods of global downturns. We hope to ride these times with our very best foot forward. Come, let's add value...
